THE SAVC LANGUAGE POLICY

In accordance with section 4(1) of the Use of Official Languages Act, Act 12 of 2012, the South African Veterinary Council (SAVC), as a national public entity, has developed a Language Policy regarding the use of official languages.

1. PURPOSE OF THE POLICY

1.1 The purpose of this Language Policy is to give details of the following:

- 1.1.1 The use, by the SAVC, of English for its day-to-day activities including communicating with the general public;
- 1.1.2 Communication with individuals who use an indigenous South African language other than English and who are not proficient in English; and

1.2 The SAVC Language Policy is based on the following Acts, Regulations and Guidelines:

1.2.1 **The Constitution of the Republic of South Africa, (1996)** in terms of:

- Section 6(i) which affords official status to 11 languages and South African Sign Language;
- Section 6(3) which states that, "*The national government and provincial government may use any particular language for purposes of government taking into account*

usage, practicality, expense and regional circumstances and the needs and preferences of the population as a whole or in the province”; and

- Section 30 which states that “*Everyone has the right to use the language and participate in the cultural life of their choice*”.

1.2.2 **The National Language Policy Framework (2003)** which states that, “*a publication policy of multilingualism (i.e. the function, the audience and the message) should be followed in those cases that do not require publication in all 11 official languages. However, where the effective and stable operation of government at any level requires comprehensive communication of information, it must be published in all 11 official languages*”.

1.2.3 **The Pan South African Language Board Act, Act 59 of 1995.**

1.2.4 **The Promotion of Access to Information Act, Act 2 of 2000.**

1.2.5 **The Batho Pele principles** as contained in the government white paper on “*Transforming Public Service Delivery*” (1997).

1.2.6 **Use of Official Languages Act, 2012 (Act No.12 of 2012) and Regulations.**

1.2.7 **The Veterinary and Para-Veterinary Professions Act, Act 19 of 1982.**

1.3 The SAVC has taken a decision to use English as the language of business and operations and to use English, Afrikaans and isiZulu for oral communications with the public. The decision taken is mindful of the following objectives and principles of the South African government, namely the need to:

1.3.1 Promote multilingualism amongst the South African public;

1.3.2 Support and grant equal access to information and services to all South Africans regardless of language, race religion, sexual orientation or creed;

1.3.3 Eradicate the marginalisation of indigenous South African languages;

1.3.4 Foster respect for and respect for language rights; and

1.3.5 Use language that is accessible to all.

1.4 English has been chosen as the language for daily operations at the SAVC for the following reasons:

1.4.1 The need to have a standardised format and terminology for dealing with members of the professions and the public and so avoid confusion and misunderstanding on the part of the professions and the general public;

1.4.2 English is used by the Ministry of Agriculture, Forestry and Fisheries in official communications, as do all government departments;

1.4.3 The SAVC and its information system contain information in English that is accessed by interested parties around the world; and

1.4.4 Resource constraints. Reproducing the work of the SAVC in other languages in addition to English, for example the minutes and proceedings of meetings, publications, website, policies and certificates and annual report in other languages would require additional human and financial resources, as well as time.

1.5 Where required, information on the SAVC will be translated into other official languages.

1.6 The SAVC has an information manual which is available in three official South African languages on the SAVC website which gives details of the services it offers.

- 1.7 The rights of indigenous South African language speakers are safeguarded as is their right to access information as the SAVC handles client queries, both oral and written, in the preferred language of the client, if required.

2. THE NATURE OF THE SAVC

- 2.1 The SAVC is a juristic person established by virtue of section 2 of the Act.
- 2.2 The SAVC advises the Minister of Agriculture, Forestry and Fisheries (the Minister) in relation to any matter affecting a veterinary profession or a para-veterinary profession and submits a report on its activities to the Minister within six months after the close of its financial year, which report must be tabled in Parliament.
- 2.3 Section 3 of the **Veterinary and Para-Veterinary Professions Act, Act 19 of 1982**, provides as follows regarding the SAVC's objects:

"The objects of the council shall be to —

- (a) regulate the practising of the veterinary professions and para-veterinary professions and the registration of persons practising such professions;*
- (b) determine the minimum standards of tuition and training required for degrees, diplomas and certificates entitling the holders thereof to be registered to practise the veterinary professions and para-veterinary professions;*

- (f) protect the interests of the veterinary professions and para-veterinary professions and to deal with any matter relating to such interests;*
- (g) maintain and enhance the prestige, status and dignity of the veterinary professions and para-veterinary professions and the integrity of persons practising such professions;*

If that staff member is unable to answer the query, then assistance is provided to prepare an appropriate response which is then translated into the language of the query.
