VACANCY

The South African Veterinary Council (SAVC) is a non-profit representative organisation of the veterinary and para-veterinary professions, promoting the health and well-being of South Africans through the promotion of animal health, production and well-being.

The SAVC achieves its mandate through the regulations of the standards of training, ethical and practice standards of veterinarians, veterinary nurses, animal health technicians, veterinary technologists and laboratory animal technologists thereby protecting the interests of those dependent on animals and assuring public health.

The SAVC intends to appoint a successful applicant to the following vacancy at its offices in Pretoria –

**Data and Design Manager:** Responsible for ensuring effective data and design management within the SAVC. Applicants should have a relevant tertiary qualification with 8 – 10 years’ experience in the management of data and a keen interest in graphic design – previous related experience would be preferable. Furthermore, ideally the candidate should be proficient in the following software packages – Joomla; MS Office; MS Dynamics NAV; VIP Payroll; CorelDraw and have a systematic approach to work and be strongly detailed orientated.

The SAVC is offering a CTC package of between K20-25 per month.

Application forms and guidance in respect of the application process can be found on the website of the SAVC – [www.savc.org.za](http://www.savc.org.za)

The deadline for applications is 31 August 2012.
