From Port Elizabeth:
Take the N2 to Plettenberg Bay. Drive past the turn off to Plettenberg Bay, travel straight ahead over the traffic circle and shortly after, turn left into Piesang Valley Road. After approximately 3km, turn right at the Plettenberg Bay Yamaha shop into Robberg Road, (signposted Kranshoek). After approximately 11km, you will see the Plettenberg Bay Airport on your left. Now go slow onto the gravel road...drive for about 1km and look out for the Equine-Librium sign on your right. Turn into the driveway and when you see a little house ahead of you, take the right fork towards the stable blocks with the red roof.
