INVITATION TO NOMINATE MONITORS
Monitoring of Animal Health Subjects 2019

Transformation is one of Council’s strategic goals. With transformation in mind, Council is hereby inviting interested members of the professions to forward their CVs and the nomination form to Ms Leonie Westcott (education@savc.org.za) by no later than Friday 30 November 2018 to be considered as monitors of subjects for prescribed qualifications.

What are the requirements to serve as a monitor of standards of training?

The person should -

- Hold a qualification at the level of the programme being monitored or higher
- Have a minimum of 5 years’ practical experience
- Not be concurrently appointed as examiners for, or involved in, teaching the module being monitored
- Be independent of the institution being monitored
- Be registered with the SAVC
- Have no conflict of interest

Animal Health subjects to be monitored in 2019

- Anatomy and Physiology for Animal Health
- Animal Handling and Equipment
- Animal Breeding and Genetics
- Veterinary Parasitology
- Animal Diseases
- Veterinary Obstetrics and Gynaecology
- Artificial Insemination
- Work Integrated Learning (WIL)
- Veterinary Public Health
- Introduction to Agricultural Economics
- Animal Health Practice

Kind regards
Dr Anthea Fleming
Chairperson, Education Committee
