POSITION: MENTOR

REQUIREMENTS

• BVSc Degree
• Registered with South African Veterinary Council
• Code 08 (B) drivers license
• A professional, hard working highly motivated and self-disciplined person with good management, organisational, interpersonal and communication skills
• Minimum of 5 (five) years practical experience
• 2 years experience in management of a veterinary facility; owner, partner or employed in private practice
• Be interested in working with young people
• Be willing to adhere to all SAVA/SAVC program policies and procedures
• Be willing to complete the application and screening process
• Be willing to communicate regularly with program staff, submit activity information, and take constructive feedback regarding mentoring activities
• There is a special need for mentors in the equine field of veterinary medicine. If you can assist, it will benefit the mentee greatly

KEY PERFORMANCE AREAS

• Take the lead in supporting a CCS Veterinary (mentee) through an ongoing, one-on-one relationship
• Serve as a positive role model and support system
• Build the relationship by planning and participating in activities together
• Strive for mutual respect, build self-esteem and motivation
• Help set goals and work toward accomplishing them

Time Commitment

• Make a 11-month commitment (January 2021 to November 2021)
• Spend a minimum of three hours per month, one-on-one with a mentee
• Communicate with the mentee weekly
• Attend an initial two-day training session before participation in the program
• Attend optional mentor/mentee group events, mentor support groups, and program recognition events
• Short monthly template to be reported to the Manager: Mentoring. Mentors can claim unstructured CPD points of the interactions with the mentees.
