The South African Veterinary Council has as its main objectives, the regulation of the practice of the Veterinary and Para-Veterinary Professions and the registration of persons practicing such professions.

In terms of the provisions of the Veterinary and Para-Veterinary professions Act, 1982 (Act No. 19 of 1982), the Minister has to appoint a selection panel to select candidates for appointment of a Council.

The selection panel shall select:
1. Two (2) persons on account of their knowledge of law.
2. Eight (8) veterinarians or veterinary specialists.
3. Two (2) non-veterinarians.

The Minister for Agriculture, Forestry and Fisheries therefore invites persons and stakeholders to submit nominations of persons who can be selected as members of the South African Veterinary Council.

Each nomination must be accompanied by the following: copy of ID document, curriculum vitae, documentary proof of all qualifications as well as a letter of acceptance of the nomination by the nominee.

Candidates should indicate for which category they would like to be considered. Suitable candidates will be subjected to a personnel suitability check (criminal record, citizenship and qualification verification).

Nominations must be addressed to:
Director: DG Office Support (for attention: Ms M. van Rooyen)
Department of Agriculture, Forestry and Fisheries • Private Bag X250, PRETORIA 0001 • Tel.: 012 319 6907
E-mail: MarionVR@daff.gov.za

The closing date to submit nominations is 22 March 2019
