REGISTERING ON THE WEB PORTAL
To register on the Member Web Portal your Registration-, Cell phone- and ID numbers must match the data captured on the SAVC’s data base.

STEP 1:
If you have not registered on the SAVC’s Web Portal and your information changed then you first need to update your information. Please send an email with your latest information to Ronel Mayhew at systems@savc.org.za. Your details will be updated and you will receive confirmation thereof to ensure that you can register on the Web Portal and complete all other details.

STEP 2:
If you are already registered on the SAVC’s Web Portal, please login, verify ALL your information and update your information.

If you are aware of a colleague who does not receive the SAVC’s communication, please ask your colleague to contact the SAVC.
