The Lower South Coast SPCA seeks the services of a veterinary nurse to perform service in animal welfare as follows:

- Vaccinations
- Treatment of ecto- and endoparasites
- Treatment of minor skin conditions
- Treatment of minor infections
- Treatment of diarrhea
- Stabilising fractures
- Pressure bandages
- Dipping
- Handling animals which need to be referred to the veterinarian
- Educating people on the treatment/handling and feeding of animals
- Humane euthanasia

Candidate must be registered with SAVC. The employer will apply for extension of registration to include euthanasia, for the successful candidate.

CV, proof of qualification and proof of registration with the SAVC must be forwarded to the Lower South Coast SPCA in Uvongo KZN by no later than 30 November 2018.
Email to: ops@spcalsc.org.za (Lauren Ferreira).
