SA.MAST Animal Clinic
SAVC REG: FC16/14420

VACANCY: PRINCIPAL VETERINARIAN

SA.MAST is offering the post of Principal Veterinarian to a successful candidate who is seeking full time employment within the animal welfare sector. To start ASAP

The SA.MAST Animal Clinic is part of the Khayelitsha landscape and cherished by its residents. It is a mere 5 minutes away from the N2 highway and is easily reached on tarred roads. From 2009 to 2015, SA.MAST functioned as a mass sterilisation and primary treatment clinic only. In 2015 we built a new clinic and as of May 2016, our essential services have extended to include that of a small-animal veterinary clinic as well.

1. The following veterinary objectives have been accomplished in 2016:
   - The clinic is South African Veterinary Council (SAVC) registered.
   - Theatre staff are trained and competent.
   - Six qualified Animal Welfare Assistants - all passed SAVC examinations.
   - Well equipped.
   - Clear SOPs manuals detailing mission, work expectations and disciplinary code are present with detailed daily routines for AWA’s, theatre assistants, veterinarians, Operations manager and census workers.
   - Comprehensive databases of suppliers, account details and special arrangements.

2. Responsibilities:
   - Consulting, vaccinations, euthanasia
   - Non-elective surgery and approximately 10 to 15 sterilisations per day three times a week.
   - Manage clinical care including diagnosis and treatment of clinical cases, clinical pathology.
   - Keep full and accurate records of both clinical and pathological cases.
   - Communicate findings to the rest of the animal health care team.
   - Perform administrative duties including data entry and the writing up of treatment protocols etc.
   - Assist, in conjunction with the Operations Manager, in the running of the clinic, inclusive of stock management, supervising clinic staff, up-skilling staff workshops.
3. **Specific Skills and Knowledge:**
   - Strong English oral and written communication skills.
   - Good interpersonal skills
   - Strong team leadership abilities
   - Good computer skills (Windows, MS Office, internet)
   - 1 + years working experience.
   - Driver’s license

4. **Required working hours per day/week/month:**
   - Monday through to Friday, 9am to 5pm
   - Over-time will be necessary from time to time.

5. **Qualifications Required:**
   - Degree in Veterinary Science (BVSc or equivalent)
   - Registered with the SAVC (South African Veterinary Council). If not registered with the SAVC, current qualification must allow for immediate registration – applicable to Australian and United Kingdom candidates only.
   - Driver’s License

6. **Package offered:**
   - Excellent, above average salary per month. Thirty days leave per annum (two paid leave periods per annum).

**To Apply:**
Please send your Cover Letter and CV to samast@samast.co.za for the attention of Ms Tamsin Nel, founder and Managing Director. Please include the names and contact details of 3 references.
