VETERINARIAN | GAUTENG – Pretoria East

Valley Farm Animal Hospital, a busy well established 24-hour veterinary practice requires the services of a full-time qualified Veterinarian. The Veterinarian should enjoy fast pace consultations, working in a team, able to perform a variety of medical work-ups, and be passionate about providing an excellent level of service to pets and clients.

Features of our hospital include:

- Specialists veterinarians
- Varied and interesting case load
- A supportive, enthusiastic and technically strong Veterinary Nursing team.
- Back-up support from Animal Health Techs, kennel hands and receptionists.
- Purpose built, well-equipped hospital
- State of the art equipment and facilities
- No after hours

Candidates should have:

- Preferably 2+ years of experience in small animal practice but new graduates may apply
- Strong medical knowledge
- Ability to practice at a very high standard
- A warm, mature fun personality with extraordinary communication skills and an absolute team player
- Ability to connect with clients from all demographics and backgrounds
- A lead by example personality both in professionally and in staff interactions
- Drive and a strong work ethic that will be appreciated and rewarded

Minimum Requirements:

- Proof of SAVC Registration required
- Excellent communication skills; verbal and written
- Computer literate
- Valid Driver's License
- Fluent in Afrikaans & English

Interested candidates can email their CV to our HR Manager Ellen Heydenrych, ellen@valleyfarmvet.co.za
